

SUMMER FIELDS SCHOOL

DLF PHASE-1, GURUGRAM

VIBGYOR' 21

MESSAGE FROM THE PRINCIPAL

If you want to see a rainbow you have to learn to see the rain...Paulo Coelho

Summer Fields School, Gurugram is hosting 'VIBGYOR 21', an inter-school competition for the students of classes nursery to XII. It is designed to bring out the rainbow hues of talent in each child. Like the colours of the rainbow, each event is specially designed to motivate children to think, innovate and then present their ideas in the most creative manner. At Summer Fields School, we believe in the holistic development of each child and regular participation in co-scholastic activities helps each child to learn beyond the books.

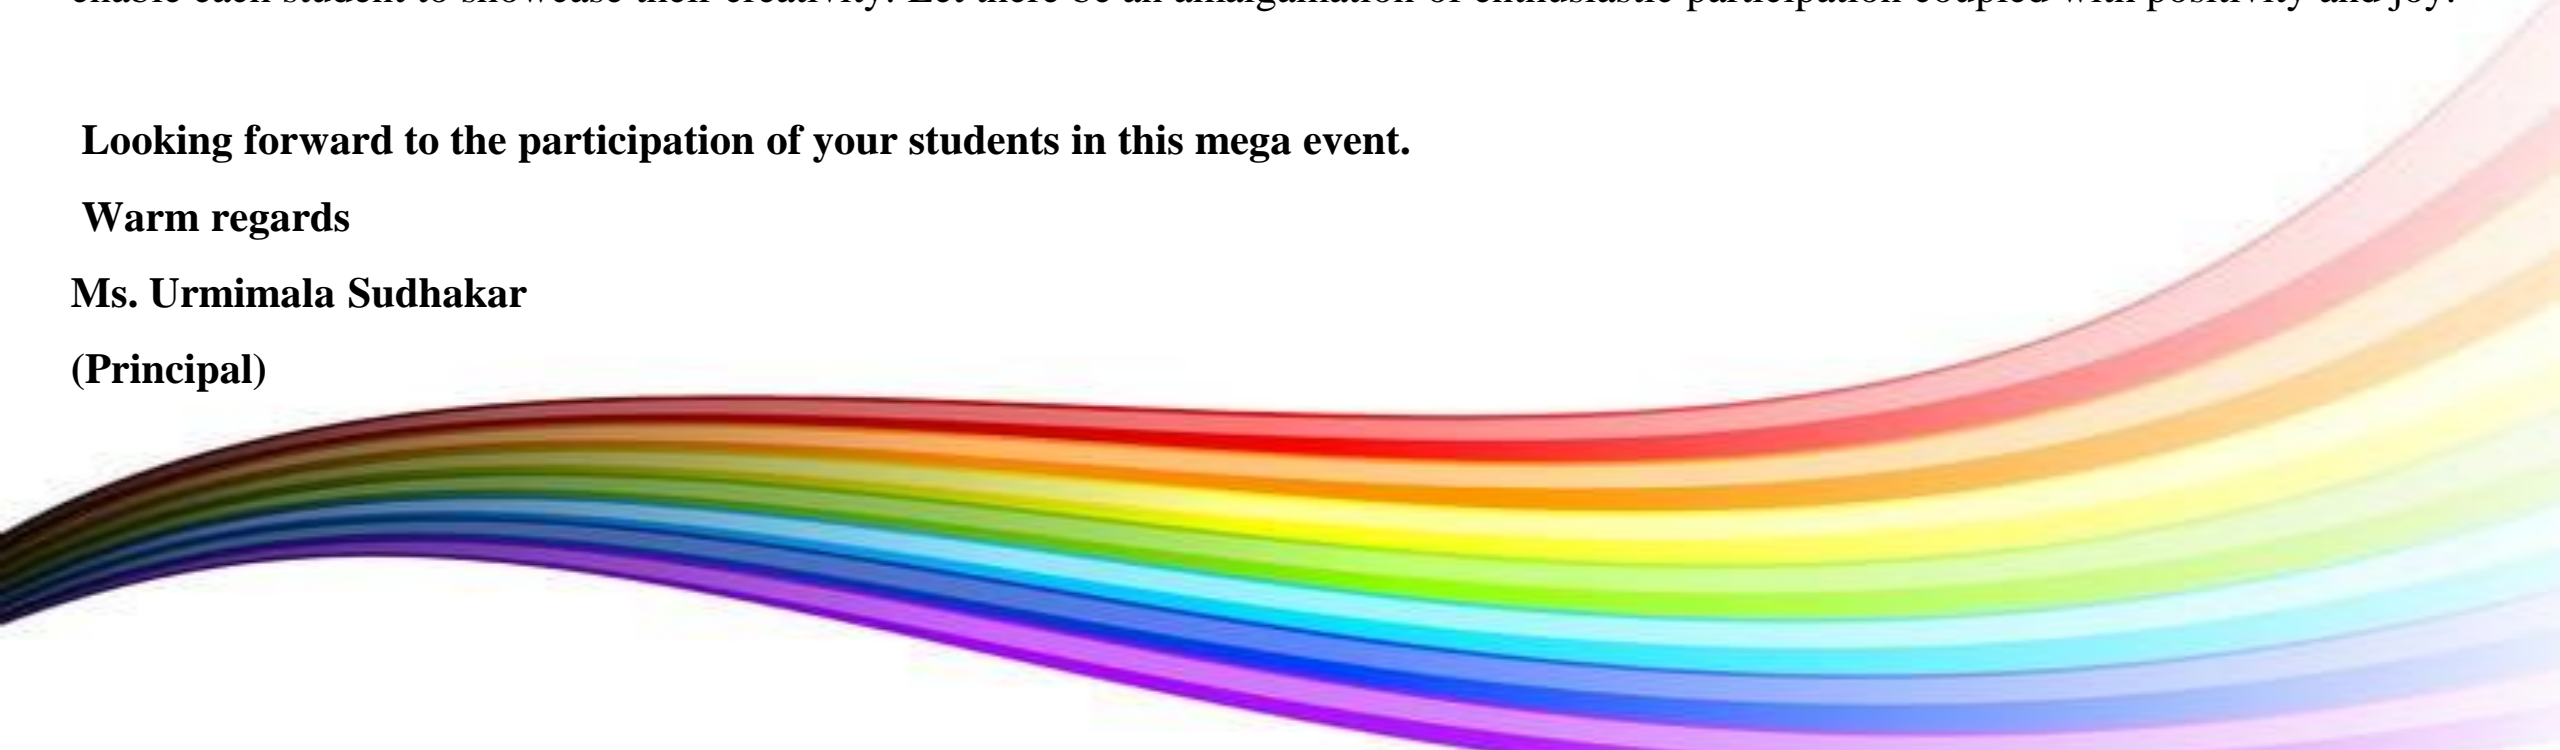

I have the honour to invite the students of your school to 'VIBGYOR 21', an online event, which will not only hone their latent talent but enable each student to showcase their creativity. Let there be an amalgamation of enthusiastic participation coupled with positivity and joy.

Looking forward to the participation of your students in this mega event.

Warm regards

Ms. Urmimala Sudhakar

(Principal)
